\*All Prices are excluding parts, for dismounting, stuck, and seized components we charge hourly.

\*All additional costs above 10e are discussed with you before proceeding with the job.

\*Prices can change depending on the type and condition of the bike. The final price for the repair will be agreed on when the bike will be brought for the appointment (for instance, a city bike or fixie could be slightly cheaper and a cargo bike or vintage bike in bad condition can get more expensive).
